

## Alderman Gene Schulter

August 30, 2010

Timothy J. Mitchell, Superintendent  
Chicago Park District  
30 N. LaSalle, Suite 1100  
Chicago, IL 60611

Dear Superintendent Mitchell,

I am writing to express my support of parents who have joined forces to help rebuild the Filbert Play Lot. I hope that the Chicago Park District will allocate some dollars from next years' budget to this ambitious endeavor.

This dedicated group of neighborhood residents are fully behind supporting the renovation of this small, but very necessary play lot! The neighborhood has been saturated with new families and the estimated growth over the next few years will see this playground filled with happy young faces.

I will also commit my energies to assist the Filbert Play Lot parents as they reach out to the community for support. They have had great success so far. Thank you for your thoughtful consideration regarding this important play lot in the 47<sup>th</sup> Ward.

For further questions, please contact my assistant Sheila Pacione in the 47<sup>th</sup> ward service office at 773-348-8400 or [Sheila.pacione@cityofchicago.org](mailto:Sheila.pacione@cityofchicago.org).

Sincerely,

Gene Schulter  
Alderman, 47th Ward
